EXTERIOR COLOUR COLLECTION

State House

EXTERIOR COLOUR COLLECTION

Earthy colonial colours remain very popular in the eastern region of the United States. Our card represents a carefully selected group of authentic colours that will enhance exteriors for those seeking to reproduce our colonial heritage. Complementing our colonial colours is a custom collection of exterior colours for use on all types of architecture: Historic, Victorian, or Contemporary. Note how our selection of light to medium shades at the top of the card blends with the rich deep tones below.

McCormick State House Exterior Lustre Acrylic Latex House Paint 27-Series

A 100% acrylic latex semi-gloss house paint ideal for exterior wood siding, trim, aluminum siding, hardboard siding, asbestos shingles, brick, masonry, block, stucco, plastic shutters, galvanized metal, primed or previously painted metal.

- Excellent gloss and colour retention
- Outstanding hide and leveling
- Mildew resistant

McCormick State House Exterior Flat Acrylic Latex House Paint 19-Series

An acrylic latex flat house paint recommended for use on exterior wood, hardboard siding, aluminum siding, galvanized metal, asbestos shingles, cement, brick, masonry, stucco, block and primed metal.

- Resists cracking and peeling
- Dries to a beautiful satin finish
- Easy to apply ; soap and water clean up

McCormick State House Exterior Gloss Alkyd House and Trim Paint 07-Series

A superior non-chalking alkyd gloss exterior house paint for use on all wood siding, trim, hardboard siding, aluminum siding, other pre-painted siding, and properly primed metal.

- Excellent gloss and colour retention
- High hiding
- Outstanding leveling qualities

For best results, start with our high quality exterior primers.

McCormick State House Exterior Acrylic Latex Primer 06438

An acrylic primer for exterior wood siding, hardboard siding, shakes, shingles, trim and galvanized metal. Helps resist staining of wood, knots, etc.

McCormick State House Exterior Oil Base Primer 06434

A linseed oil based primer for use on all exterior wood siding, trim, hardboard siding, and metal. Prolongs the life of finish coats and minimizes bleed on staining type woods.
